

English

We will be using our writing skills from Year 1 – capital letters, full stops to write about the different books that we are reading in class.

We will also write information texts all about London and its famous landmarks.

Maths

In maths we will be learning all about:

Place value

Addition and
Subtraction

Science

Our science studies this term will be focusing on materials. We will think about why certain materials are used for different jobs.

Computing

We will be learning all about computer parts, inputs. Going on a technology Safari and learning about inventions.

P.E

Invasion Games
Sending and Receiving
Dance
Target Games
Our PE days are
Tuesday and Thursday.

Location,
Location

Where in
the World
are?

Year 2

Autumn 1
and 2 2023

Geography or History

We are starting our term by learning about our location in 'Location Location' then we will develop our geography skills by thinking about 'Where in the world' we are.

Spanish

"All about Me": Name and age, numbers 1-31, months, birthdays. Greetings, language around the classroom, poetry and songs. Christmas in Spain.

Music

To sing in tune and use rhythms and pulse

To use a range of instruments

Design Technology or Art

We will develop our sketching skills by drawing different London landmarks; then we will make a 3D sculpture of a London Landmark.

R.E or P.S.H.E

In PSHE, we will learn about keeping safe and working together. In RE, we will learn about Christianity then will move onto festivals celebrated with light.

Help at Home

Please read daily for at least 10 minutes and help with homework

Help me learn my 2x, 5x and 10x tables.
