

English

This term we will be reading 'Wonder' and 'Hidden Figures'. We will use our English skills to write: a persuasive script; a biography; a podcast interview; and an explanation linked to the Mars Rover

Maths

Number and Place Value

Addition and Subtraction

Multiplication and Division

Fractions

Science

Forces – we will learn all about the forces around us and how they act.

Earth and Space – we will learn about our solar system and the planets.

Location,
Location

Space

Computing

Coding – using Code.org and Scratch we will learn how to write code to create games.

P.E

Football
Tag Rugby
Dance
Table Tennis

Our PE days are Monday and Wednesday.

PSHE

Being me and my world

Celebrating difference
Using our Jigsaw PSHE we will learn all about setting goals and being part of a wider team.

Year 5

Autumn 1
and 2, 2023

Geography and History

Location, Location – we will start the term thinking all about our locality and refining our geography skills.

Space – we will learn about the race to space!

Spanish

“All about Me”: using the question form to interview my partner and be interviewed about myself and my family and my pets. Give descriptions and opinions. Christmas in Spain.

Music

We will learn about both rock and jazz music through our musical studies. At Christmas we will also learn songs to sing together in our Christmas performance.

Design Technology or Art

Art and design (drawing, form, pattern, printing) – we will practice our sketching skills.

DT (Design, make, evaluate – product) – we will make a moving Mars Rover.

R.E

Worship – we will learn how different religions worship and the importance of worship. Then we will learn about ‘The True Meaning of Christmas’ in the second half term.

Help at Home

Please try to hear me read every day and help with homework

Use Times Tables Rockstars at home to help me learn all my tables.
