

YEAR 4

HOMework

Each week for homework you can choose an activity to do. Some activities may take more than a week to finish. We encourage you to complete at least 3! We will have a homework presentation at the end of the half term. How many emblems can we earn as a class?

MATHS

1. Complete the attached money problems worksheet, using all four operations. Make sure you read the question, circle the key information, write a number sentence and your answer.
2. Complete the multiplication square independently. Use this to identify which times tables you need to work on, and practice these with a grown up.

SCIENCE

Draw and label a diagram of the ear!
Could you create a model?

HISTORY

1. Use a map of Europe and label where the Anglo-Saxons came from, what their tribes were called and where they settled.
2. Research an Anglo-Saxon artefact and explain what it was used for.

ART

1. Create/make your own musical instrument.
2. Create/ design your own Anglo Saxon village.

PRESENTING

Research and perform some interesting facts about the Anglo Saxons

ENGLISH

Imagine you are an Anglo Saxon, recently arrived in Britain. Write a letter home describing your first impressions.

SPANISH

Draw a map of your home town, or a town that you have visited, and label the places in the town in Spanish.

COMMUNITY

Donate some of your old belongings to the charity of your choice! Take a photo of you donating your items .
