

Dear parents and carers,

Following our recent Ofsted inspection, I am delighted to announce that we have now received the final report and I can share with you all that Twickenham Primary Academy remains an outstanding school! As you can imagine, we are all thrilled with this outcome and feel that it reflects our dedication and journey, both since our last inspection and more recently, since I have become principal.

This achievement is a testament to the hard work, dedication, and collaboration of our entire school community – pupils, staff, parents and governors alike; as well as the efforts of our colleagues across the Omnia Learning Trust. It reflects the commitment to excellence that we strive for every day in providing the best possible education and support for our pupils and families. The Ofsted report praises the wider curriculum and quality of teaching and learning across all subjects, highlighting the approaches employed by our teachers to ensure that every child is known and nurtured at our school.

In addition to our diverse curriculum, the report recognises our exceptional extra-curricular offer and the opportunity that every child has to learn outside the classroom and take on leadership roles. It also acknowledges the inclusive and supportive environment fostered within our school, where every student is valued, respected, and encouraged to reach their full potential. The dedication of our staff to the well-being and development of each child has been duly recognised and commended.

Maintaining an Outstanding rating is a significant achievement for any school, but for us it also serves as motivation to continue striving for excellence in everything we do. Together, we will build upon this success and continue to provide the highest quality education for our pupils, preparing them for the challenges and opportunities they will encounter in the future.

I would like to take this opportunity to thank you, our parents/carers, for your unwavering support and partnership in your child's education journey. Your involvement, encouragement and engagement play a crucial role in the success of our school, and we are immensely grateful for your ongoing support.

I encourage you to read the full Ofsted report, which I have attached to this letter. In the coming week, it will also be published on the Ofsted website and on our school website.

If you have any questions about the report, I will be holding a Parent Forum, online at 10am on 22<sup>nd</sup> January (you are welcome to submit other questions too!). I hope to see lots of you there.

Take care and have a wonderful weekend,

Erin
