Introducing Accent

Accent Catering

At the heart of everything we do is our love of great tasting, fresh and healthy food, prepared by teams who care. We know pupils consider fast food to be the biggest treat imaginable but we know that it does not make you feel good or live well.

That's why we focus on every single aspect of our food to ensure our customers get the very freshest, natural fast food that is healthy, great tasting and nutritious. We use meat that is Red Tractor assured, fish from sustainable stocks only and UK sourced fruit and veg where possible.

Our Menus

Our food is prepared from fresh, including a great range of dishes that will appeal to every child. We have used simple words so pupils can recognise the dishes but the same passion and care goes in to ensuring the curry is tasty but mild, the pizza homemade using our own 'secret' tomato based sauce, the Mac'n'Cheese as good as at home. In fact we go to great lengths to ensure every single dish and accompaniment is good enough to serve at home - delicious and nutritious!

Allergens

We have a nut free policy, all our food is prepared in an environment where **food allergens and nut traces may be present**. All food allergens are identified on our menus or packaging but if you have special dietary requirements on a daily basis, please speak to our Chef who will be happy to let you know what you are able to eat and if nothing on the menu is suitable, they will find you an alternative!

Marketing

All of this is backed up by great marketing and promotions. We run a variety of Special Day menus including Black History Month, Lunar New Year, National Pizza Day and World Book Day which are fun and add real value to the daily lunch occasion.

We also have our annual themes to encourage children to try new and innovative dishes. This year's theme is 'Eat the Seasons', each month pupils can enjoy tasty dishes and learn facts about our perfectly picked ingredients.

Free School Meals

Please remember that all children within KS1 and KS2 are entitled to a Free School Meals, so we would encourage you sign your child up for lunch. It is great value for money, the portion sizes are generous and seconds always available. It is a great way to ensure your child has the best meal and is ready for the afternoon activities at school.

Compared to an average packed lunch an Accent school meal contains:

15% LESS
SATURATED FAT

2x
THE FIBRE

46% LESS

Adding value beyond the dining room

Look out for tasting tables, activity sheets, recipes and planned theme days.

We work hard to create a service that is fun and inspires pupils with new food trends.
