

## Dear Parents,

I hope you are well and looking forward to the weekend ahead. We had a great Enterprise week learning about money, budget, profit, loss and much more. Thanks to Mr Ho (Charlotte`s dad) and his colleague Ari for leading the Money Sense workshop. The children gained valued knowledge about money and enjoyed the different examples and activities.

It was great to see the class stalls and products displayed at the Enterprise stalls this afternoon. Well done to all the children and thanks to all of you for buying the products. The school hub will work out the profit next week and decide what the money should be spent on to ensure the whole school benefits from the fund.

### Gadgeteers - Summer Reading Challenge 2022:

The Reading Agency and libraries are excited to introduce Gadgeteers, Summer Reading Challenge 2022.

Developed in partnership with The Science Museum Group, it is a science-filled challenge that will inspire children to see the science and innovation behind everyday objects, showing that reading and science are for everyone. Children will be able to join six fictional Gadgeteers and use their curiosity and wonder to understand the science behind a whole range of interests from fashion and technology to cooking and music.

The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at your local library, choose your reading goal (we recommend six books), then read any books of your choice to collect special stickers and other rewards along the way.

There is a digital platform too, so the fun can carry on at home! Children can take part in the challenge at the Summer Reading Challenge website.
