

Dear Parents,

The weather has been fairly kind to us this week – we have been blessed with some warmer and sunnier days. Year 6 have taken their Sats this week and I just want to say a big well done to all of them! Whatever the outcome, we are proud of their hard work and effort. Also, big thanks has to go to all the staff and parents who have supported and helped them to prepare and revise.

Year 2 Sats are taking place next week which are only used to support the teacher judgements. I am sure the children will do great and show what they have learned so far. Good luck to all of them!

On Monday Year 1 Potter went to their first forest school session in Richmond Park. The children showed great excitement and talked about the different activities all afternoon. Thanks to our lovely parent helpers who joined to make the trip possible. The next session for Year 1 Potter is on Monday 23rd May which the children and staff are looking forward to.

Pyjamarama Day:

Our week finished with our annual Pyjamarama day – it was great to see all the children and staff coming to school in their pjs. “Reading for Pleasure” is an integral part of the curriculum and days like these are an excellent way to promote the love of book and reading. We wanted to take the opportunity to have some more buddy reading experiences with Year 6 before the end of this term. They spent the morning reading to different groups of children across the school. Thanks to all of you for the donations which are much appreciated and will make a difference!

Homework Project:

The children have another week to complete their projects with the theme “Red, White and Blue”. We are looking forward to seeing the finished projects on Monday 23rd May displayed in the hall.

Outdoor Learning Day – Thursday 19th May:

Another annual event is taking place next week – Outdoor Learning Day. On this day we want to ensure that children use the outdoor environment and natural resources in lessons. We will be creating story stones and using these to plan and write our own stories. Maths games in the playground to practise their number and counting skills is also in the agenda. Bark rubbing, stick and leaf people.... Are art projects which have been popular in previous years. Fingers crossed the weather will allow us to have an enjoyable day learning outside!

Office News:

Class Photos – Tuesday 17th May 2022

All classes will be photographed on Tuesday 17th May including a whole Year 6 group fun leavers photo. Please ensure the children are in correct uniform and to bring their jumpers and blazers.
NO P.E Kits to be worn on this day
