

## Dear Parents,

What a busy and eventful week! Next to continuing our lessons and learning every day, Reception and Year 3 went on their school trips, Year 2 had their scooter training and on Wednesday we joined in with the Let girls play football initiative. We finished this exciting week with a very engaging World Maths Day. The children enjoyed the different maths challenges and problem solving activities throughout the day. Reception – Year 3 children worked hard in small groups to solve puzzles and used their acquired maths knowledge and skills. Thanks to Miss Grace for organising this very exciting day.

### Parent/Teacher Meetings:

Next week, Tuesday 15<sup>th</sup> and Thursday 17<sup>th</sup> March, we will be holding the parent/teacher meetings from 2.30pm. If you have not as yet booked an appointment, please email your child's class teacher or the office for available slots.

Energy Kidz will be operating from 2pm. Please visit their website for availability.

Dismissal on both days will be the following (No sibling club):

Reception -2.00pm (both classes will be dismissed from the Reception playground)  
Year 1 & Year 2 - 2.05pm (Year 1 classes – Main door/ramp and Year 2 classes – Reception playground)  
Year 3 & Year 4 - 2.10pm (Year 3 classes – Main door/ramp and Year 4 classes – Reception playground)  
Year 5 & Year 6 -2.15pm (Year 5 classes – Main door/ramp and Year 6 classes – Reception playground)

Walking consent for Y5 & Y6 children will remain in place, should you wish to make alternative arrangements please let us know in advance and no later than 11am on the day.

### Science Week:

We are very much looking forward to holding our annual Science Week next week. The theme for this year's British Science Week is 'Growth' and links with multiple areas of the Science curriculum. To celebrate, throughout the week, we will be doing lots of exploration around the theme of growth and the Science all around us. Year 4 – Year 6 children will also be taking in the Invention and Discovery workshop on Tuesday 15<sup>th</sup> March.

All children are invited to take part in the science fair on Wednesday 16<sup>th</sup> March and parents will be able to watch it live via zoom.

### Covid 19 Update:

Case rates in Richmond have unfortunately increased by a small amount this week, as can also be observed across London. This pattern is broadly consistent across the different school-aged groups locally, although rates are slightly lower for the youngest children (0-4 year olds).

Unfortunately, we do have a cluster Covid outbreak in our Y6 classes. We have put the necessary infection control measures in place to minimise the risk of transmission across the school. The risk assessment from February 2022 will continue to be used for all other year groups. We will closely monitor the situation and keep you updated on any changes.

### Key Dates: The next few weeks at Twickenham....

**Please note:** All the key dates for this academic term can be found on the school's online calendar

Monday 14 <sup>th</sup> – Friday 18 <sup>th</sup> March	Science Week
