

Dear Parents,

I hope that you have had a wonderful week, and are looking forward to the weekend ahead. As you will be very aware, it will soon be the end of year, and I am sure both you and the children looking forward to a well-deserved Summer Holiday! Next Friday – 16th July, I will send you the final newsletter for this academic year.

A copy of the key dates for the Autumn Term will be sent shortly separately to this newsletter and also synced with the school's online calendar for the next academic year.

Risk Assessment:

Alongside next week's newsletter, we will publish an updated risk assessment for the school operations from September 2021. As you will be aware, the school will mostly resume to pre Covid operations including opening and closing times as well the pupils no longer needing to be grouped in bubbles during the school day.

Please note that the children will not be served a school lunch on the last day of term, and can we please politely request that you are on time for the collection of your children.

Those pupils in Year 5 who have permission to walk home alone, can do so as usual, and will be dismissed in the usual way.

Den Building Day:

On Monday 19th July we have our annual Den Building Day. Throughout the day, children will unleash their imagination and transform the hall and play grounds into amazing dens.

How to help your den-builders

On the day, we are asking each child to bring an item/s from home to help build dens. It could be a big cardboard box, a blanket or sheet, some clothes pegs, or any other item from around the house which may be useful to make a den with.

Office News:

School Club outcomes:

Outcomes for the club choices have gone out this week. As you know, we operate selections on a first come first served basis and some clubs have been oversubscribed. We have also been able to offer some clubs as second choices but if you do not wish to have the place, please let Miss Hana know.

End of school clubs this term:

Unless you have been advised, this has been the final week of clubs. Some private clubs are finishing next week and you will have informed you directly.

Breakfast Club:

Instructions for Breakfast club autumn 2021 were issued yesterday via Parentmail. Should you wish to apply for a place please read this before applying. The online form has gone live today (first come first served) and will close on Tuesday 13th July at 4pm. Once the deadline has passed the online form will no longer be accessible and you will need to email Miss Joy directly to request a place on the waiting list to j.chapple@twickenhamprimaryacademy.org. Outcomes will be emailed on Friday 15th July.

School Leavers:

If your child is due to leave TPA or you are planning to move during the holidays which may result in them not returning in September, and you have not already expressed this to the school office, can you please contact the school office and request a Pupil exit form.

Change of address / contact details:

If you have, or you plan to move house during the holidays or for any changes to contact information, please email the school office with your new details.

Eid Al – Adha:

If your family will be celebrating EID in July, please can you request an absence form from the school office to request this time off as a religious observance; this supports us with the register coding.

Medication held in school:

Any medication held in school will be sent home on the last day of school. If for any reason your child is leaving before this time, please contact the school office to make arrangements. Please check expiry dates and request new medication / prescriptions during the holidays as appropriate. These should be brought into school on the first day back along with a new Medication in School form. For those children with epipens or blue inhalers, please note we require 2 in school.
