

Dear Parents,

I hope you had a wonderful half term break, and enjoyed the sun and the warmer weather. I heard that the PTA camping trip went very well, and that the children who attended had a wonderful time exploring and playing in the campsite.

### **Uniform:**

A reminder to please ensure that your child is in the correct uniform each day especially school shoes. As a school, we take immense pride in our school uniform as well as our school colours, and it is really important that your child is wearing the correct uniform every day. Attached is a link to the school uniform list if you need further information.

### **Ducklings:**

The Ducklings have arrived, and hatched this week. The children are very excited about this, and over the course of the next couple of weeks we will learn more about caring for a living thing.

This year, we have set up a live camera so that the teachers are able to stream the Ducklings straight into the classroom. The children are very much enjoying watching their growth and early development.

### **Warmer Weather:**

As the weather is now getting warmer we do ask that you ensure that you send your child in with a water bottle as we are still not using the water fountains within the school and they are particularly helpful to take to 'The Green.'

## Archery Competition:

The archery Year 4 competition had 38 participants from Austen and Dickens classes. It was almost two hours of great, active fun. All children showed great skills and exceptional behaviour. Well done everyone! 😊 Mr Wojciech

## Class Teachers for the next academic year:

We have now completed the recruitment of the teaching staff for the next academic year. On the next page, is a table which shows which teacher will be leading which class and who your children will be moving on to. On the left of the column, is the current class and teacher, on the right of the column is the teacher and class who your child will be moving up to from September 2021.

A reminder, that we are not mixing any of the classes for the next academic year therefore your children will go up with their current class. Thank you.
