## Drop Off / Sibling Club:

In the morning, siblings should be dropped off with the eldest child. In the evening, those pupils who are in Reception **only** are now able to access Sibling Club. The Reception pupils with siblings will leave school at the end of the day with the next eldest sibling.

If you are collecting more than one sibling, then please leave the school premises and queue for the next slot in line with current school routine and process. Furthermore, please continue to wear a face mask until the school communicates that this is no longer a requirement.
