

GEMS Twickenham Primary Academy Newsletter

Principal: Mr. John Smith

Autumn Term: Friday 5th October 2018

Dear Parents,

I hope that you have had a wonderful week – I cannot believe we are already in October, and it will soon be our annual Halloween dress up; a very exciting part of the school year!

Another brilliant week at Twickenham Primary Academy with our Year 1 pupils enjoying their Mini Beast workshops, and our Year 2 pupils taking part in the Great Fire of London experience. The pupils were thoroughly engaged throughout, and gained a much deeper knowledge and understanding of their topic; I'm sure they will be very excited to talk about these workshops at home, and what they learnt.

Next week, Year 1 are off to Whipsnade Zoo to extend their learning even further which I am sure they will very much enjoy.

Parents Evening:

Parents evening is taking place the first week back after half term. Next Monday, you will receive your booking form. Please hand these into Mr Charles, and he will confirm by email your fifteen minute slot.

Booking will commence as follows. From:

Tuesday 9th October: Reception parents and older siblings

Wednesday 10th: Year 1 parents and older siblings

Thursday 11th: Year 2 parents and older siblings

Friday 12th Year 3 parents

Your allotted time will then also be displayed in the foyer for you to view.

LAB:

The letters for the Local Academy Board have gone out. If you would like to nominate yourself to become a member, please hand form 1 and form 2 back to Mr Charles in the school office by Tuesday 9th October. Voting will take place from Wednesday 10th October.

Lost Property:

The lost property box is filling up. Please do check the box if your child has lost any part of their school uniform. Please ensure every item is clearly labelled especially if you have purchased an Item of clothing from the PTA uniform sale, and it has the previous child's name in it; this often results in some confusion. Lily in Year 2 had lost her cardigan if anybody has it – it is named.

Dear Parents,

Throughout the week children have been learning about the Giant Panda. We talked about their habitat, what they eat and how they are usually alone! The children learnt that when a panda is born it is pink and blind and ordered and labelled the panda growth stage pictures.

Our Maths focus this week was Addition and children have been working hard to learn addition facts for different numbers and adding by counting on. They have shown greater understanding of how knowing addition facts can help them to do other calculations such as subtraction.

In the English lessons we started a text based learning project. Our chosen book is Meerkat Mail. The children had to pack a suitcase for Sunny the meerkat to take on his adventures around Africa, write a setting description and a character description. Next week, we will be writing post cards home.

In Art we wrote instructions together on how to decorate a panda biscuit. The children were really excited for this activity and were brilliant at following the instructions to decorate the biscuits. Once all the the instructions were completed it was time to eat them!

In Music this week, we experimented with some of the instruments and learnt the name of some new instruments. We played games that involved repeating the beat and changing the volume and speed of our instrument playing. We had our music lesson in our wonderful music room!
