

# After School Rugby Clubs

Fun, inclusive sessions where young people build essential skills, make friends, and enjoy rugby their way.

## Robot Rugby

Science, Technology, Engineering, and Mathematics (STEM) programme with games using programmable robots to teach passing, teamwork, and tactics in a creative, inclusive format.

## Tag Rugby

Fast-paced, non-contact rugby sessions focused on skill-building, game play and confidence.

## SWITCH

Girls-only rugby programme designed to build confidence, fitness, and friendships through inclusive, supportive coaching.

**Twickenham Primary Academy**

**Tag Rugby Afterschool Club**

**Years 2-4**

**Friday - 15:45-16:30PM**
