

Message from the Principal

Dear Parents,

What a wonderful start to the term! It has been so lovely to be back in school with all the children ready to learn and showing enthusiasm for all that they do. This week, the children and teachers have been settling back into their routines and getting to know one another in preparation for another brilliant year of learning. In preparation for the year, you will receive a Parent Curriculum web and timetable letting you know what your child will be studying (and when) this term.

On Wednesday, we had a 'welcome back' assembly where we sung our favourite new term song and thought about how to welcome new people (adults and children) to TPA. The children thought of so many lovely suggestions and it has been brilliant to see them trying all of their ideas to welcome our new starters.

This week we have also launched our new canteen food. Do ask your child what they think! If you have any questions about the food (or anything else!), please just ask on the gate or pop into the office.

It has been great seeing everyone working hard to wear their smartest uniform. Do remember that children will need a coat or raincoat every day this term. The weather is very unpredictable, and we would really like everyone to enjoy outside play times as much as possible – even in the drizzle!

As a reminder, the School Streets Cameras are in operation again on Colne Road. Please avoid driving or parking on this road during the camera hours. If you have a blue badge or need an emergency exemption, there is a link [here](#) that you can use to allow you to drive down Colne Road.

Have a wonderful weekend,
Erin

BREAKFAST CLUB

A reminder if you wish to use Breakfast Club, you must book through the Arbor App.
From next week, we will not be able to accept pupils without a booking.

MOST CLUBS BEGIN NEXT WEEK

All of our TPA clubs begin next week. And most private clubs. Please check with your private club provider if you are unsure which week.

Bookings for clubs have closed and we cannot accept any more bookings as all clubs are fully booked.

CURRICULUM EVENINGS NEXT WEEK

Please check the key dates for next curriculum evening. These are helpful meetings to help understand your child's learning for the term and year.

Year 6 – The curriculum meeting will also involve information relating to the residential trip and secondary transitions. If you have not confirmed your child's place for the residential, please do so ASAP.

Thank you
